

National Council Workshop - Questions

1. How can your RSA better support veterans in your community?
 - a. Give us examples of what your RSA does now
 - b. What other things could your RSA do?
 - c. What help do you need from National Office to do this better?

2. In the new structure we want to ensure the voices of individual RSA's can be heard by the national body.
 - a. Give examples of ways the views of your RSA's are heard by National Office/RNZRSA now
 - b. What could be done either by:
 - i. Your RSA to make this happen better?
 - ii. National Office / RNZRSA to make this happen better?
 - iii. What support do you need to make that happen?

3. Is the veteran voice heard in your RSA?
 - a. How could RNZRSA ensure that the veterans' voice is better heard in the new structure?
 - b. How does your Executive / Management ensure that veterans have a voice in what happens at your RSA?
 - c. Do you have other ideas about how this might happen?

4. There seems to be an ever-increasing list of RSA's in trouble. Thinking about your RSA and its future wellbeing:
 - a. What are things that concern you most?
 - b. Give examples of what you are doing to address those issues?
 - c. What areas do you need help with?
 - d. How could you help other RSA's?
